Saifee Hospital is committed to provide world Class Preventive and curative care within the reach of every individual. Our dedicated and highly trained teams of professional ensure that the hospital vision and reputation as a centre of excellence is maintained at the highest level.

Saifee Hospital's Health Check programs are dedicated to adding years to your life through early detection of diseases and identification of unhealthy lifestyle practices.

We offer a wide range of health check up packages to cover all age groups and genders. The packages are designed as per international guidelines to ensure a **100% healthy future - disease free 21 century.**

**Guidelines for Health Check up**

- I. You are requested to report at health Check up Department on 3rd floor at 8 am or at your allocated time.
- II. You are required to have minimum 12 hours fasting prior to the check up. however you may drink water and take your regular medicines as per the schedule.
- III. Please bring all your past medical records and regular medications if any when you come for check up.
- IV. Please wear loose clothing, minimum jewellery and easily removable footwear if possible.
- V. Additional tests if required apart from package will be charged separately.
- VI. For your convenience, payment can be made on the day of the appointment.
- VII. Corporate clients are required to produce company letter or staff identification at the registration counter.
- VIII. During the course of check up you will be provided with a Meal / Refreshment.
- IX. In case of non availability of certain tests on that particular day the patients will be called at next convenient date.
- X. Review consultation with physician will be on the next working day along with reports.

**NOTE :**

- Patients undergoing health check up will also be offered optional Cardiac Rehabilitation Program for a period of 1 month (12 sessions ) at a Subsidised rate of ₹3000/- per Month.

15 / 17 Maharshi karve Marg , Mumbai - 400 004.
